Prefatory Note

This ninth index of *Momentum*, quarterly journal of the National Catholic Educational Association, includes all issues of the journal from 1993 to 1994.

It is a cumulative index arranged in alphabetical order according to author, title of article, and subject matter. Each article is cross-

indexed under these three categories. The subject matter topics appear in boldface with related articles following in an indented listing.

Articles appearing in regular columns of the journal—**Justice and Peace Education**, **Classroom Corner**, **DRE Directions** and **Trends in Technology**—are listed under these subject headings; they are also cross-indexed by author and title. **From the Field** articles are listed under that subject heading, alphabetically by title.

Articles classified as **Editorials** are indicated; they are also cross-indexed in the usual way.

All **Book Reviews** are listed under that subject heading, alphabetically arranged according to both the title of the book and the author.

Under the subject heading **Schools** particular schools featured in *Momentum* articles are listed by state location.

Separate copies of this index, as well as reprints of the *Momentum* indexes from 1970-74, 1975-79, 1980-81, 1982-84, 1985-86, 1987-88, 1989-90 and 1991-92, are available from NCEA Publication Sales at \$1 per copy.
